Brief Resume *

In approximately 4-6 sentences, please describe the relevant experiences and expertise you have that would qualify you for consideration for the position on the committee you are applying for. This should include relevant professional history, previous committee or leadership positions, relevant research projects, etc. (See the committee description for a list of the desired experience or skills for this position).

Narrative *

In approximately 4-6 sentences, please describe why you believe you should be considered for appointment on this committee and what contributions you could bring to complement and enhance this committee. Please try to refer to the attributes listed in the committee terms of reference and/or description.

Existing Appointments *

List below all committees or organizations of which you are a member. Do any of these committees or organizations create a conflict of interest to the above committee?

Diversity*

Please answer the following two questions about diversity and inclusion and illustrate your answer with examples from your professional life, lived experience, and/or any training or education you may have had.

Please describe how you think your own diversity, or experiences in diverse settings or workplaces, would bring value to your contributions to the committee you are applying for (e.g., perhaps you are part of a traditionally underrepresented group and feel that gives you a unique and valuable perspective on the issues the committee discusses).

Please describe how you will help ensure everyone feels welcome, respected, and safe to contribute to the work of the committee? (E.g., perhaps you have taken training and/or made efforts in other settings to listen to colleagues from different backgrounds and ensure that they all feel welcome and valued on your team.)

The VPSA Selection Committee and/or Board will treat the identity of all candidates with confidentiality. Candidates should be advised that they may be required to meet with the Selection Committee and/or the Board and that their statement of interest will be distributed to the Board.

Equity Statement

The VPSA recognizes that diversity, equity and inclusion are essential to delivering exceptional care and building a great place to work. We encourage applications from members of our physician community who are disadvantaged on any grounds under the B.C. Human Rights Code, including Indigenous Peoples, people of colour, people of all genders and sexualities, and people with disabilities.
